Custom Storage Installer

7/10 DEADLINE to FAX OR EMAIL resume to:

227-6615 OR gailc@rochester.rr.com

Job STARTS July 20th

Will train, and PAY FOR hands-on training and software training for 3 day class, flight fare, meals, and hotel accommodations at manufacturer's facility. Part-time position leading to full time. Work with and established 23 year old business opening a 2nd location in Webster. Help immediately construct and set up new location to prepare for September 7 opening. Staff showroom as needed to meet with clients to discuss the designs of their custom storage needs for closet, garage, office, pantry, laundry, or media room. Work with user friendly designing software to get instant pricing and drawings of the plan. Sales commission for contracts in addition to hourly earnings after 6 month internship. Software generates parts list you will be ordering and receiving. Receive and assemble some products before installation. Schedule and coordinate installation. Truck provided for installation, but your own transportation needed for onsite measuring and estimating. Mileage compensation paid to onsite appointments. Prefer individual who is self-motivated, needs little supervision, keen focus on detail, likes working with the public. Maintains high priority to prompt, friendly and responsive service.

- Location: Rochester
- Compensation: \$10/hr subcontractor 6 mth internship
- After 6 month internship...On payroll \$10/hr plus commission sales
- Part-time internship leading to full-time employment.
